International Members ONLY

An additional \$40 for individuals and \$100 for corporations is added to the dues amount for individual and corporate members with mailing addresses outside the U.S., Canada, and Mexico. The additional amount is to cover the higher postage costs for mailing WJTA publications to international mailing addresses.

Repeated increases in postage have resulted in significant charges for mailing the Jet News and the annual *WJTA Membership Directory*. U.S. Air Mail is our preferred choice for forwarding publications to international members because it is quick and dependable. Other less expensive delivery classes are available, but often result in a two to three week delivery time, and pieces may be lost in transit.

- CORPORATE MEMBERSHIP.** Annual Dues. Includes three (3) individual members, a 25% reduction for additional WJTA members, and a free quarter-page ad in the *WJTA Membership Directory*.
 US, Canada or Mexico - \$600 All other countries - \$700

Please fill in the name, address, phone and fax numbers, and email of three (3) contacts. Each contact will receive all general WJTA mailings. The primary contact will also receive requests for official responses and membership renewal forms.
