

Who we are

WJTA members are contractors, asset owners, suppliers, researchers, and individuals with an active interest in waterjetting applications, industrial/municipal cleaning, hydroblasting, vacuum truck operations, hydro-excavation, surface prep, cold cutting and related activities.

What we do

WJTA supports industry safety, technology, trade, workforce development through its activities including the WJTA Conference & Expo, best practices manuals and videos, custom safety seminars, distribution of the *Jet News* periodical, member-to-member networking and more.

Why join

WJTA relies on the support and active involvement of its members to elevate the industries we serve. Members receive a range of benefits, including discounts on publications and events, directory listings and promotional opportunities, news and updates, safety information, and resources.
